Sandy, Prici, Kalai, Chandu, Dawood, Prince, Sharath, and Giftan shared bonds during school days. Especially memorable were the connections with Prince, Dawood, and Sharath. Typically, my memories include time spent with Prici, Sandy, and the others, particularly Chandu. These were the cherished moments from their school outings.

I still remember that after our hotel outing, Sandy and Prici came to visit me. We were chatting when they saw the boys had posted their group photo on Facebook. Both were frustrated and angry, as back then, we were all cautious about posting photos. It's amusing to think about now, especially with today's Instagram culture... 😊

Sandy, if you come across this blog post, I apologize for sharing this memory. It was all in good fun! 😊

One day, Kalai, Chandu, and Papu visited us for a typical girls' day while we were in college. There was a playful competition for something or someone between Chandu and me, but I prefer to keep the details of our friendly rivalry private... 😊
